3. A check of available order of battle data on the Wehrmacht indicates that the military record supplied by CASRIO in his Lebenslauf is correct with regard to all major units. In only a few instances, however, has it been possible to check accurately the existence, location and movement of non-divisional units, especially during the final months of the war.

3. We are attaching an analysis of the CANNY case by Lloyd L. Hill, III. There are additional inconsistencies: The list of Chicago where he worked is different in the interview from what he told HOC;
